

Italian Society of Periodontology

SCHOLARSHIP

The **Italian Society of Periodontology** is offering a thirty-one thousand and five hundred Euros scholarship for a three-year PhD program in the field of Tissue and Bone Regeneration. The PhD program will be held at **UCL Eastman Dental Institute** in London (UK) under the guidance of Prof. Nikolaos Donos, Director of the Department of Periodontology. The scholarship provides full tuition fees, while housing and living expenses will be only partially covered.

The official language of the course will be English.

The applicants must fulfill the following requirements:

- 1) Be Italian citizens.
- 2) Be less than 30 years old at the time of the application.
- 3) Have earned a degree in Dentistry in the following academic years: 2008-09 and 2009-10.
- 4) Have earned a final score of no less than 105/110.
- 5) Fulfill UCL English language requirements.

All applications fulfilled with the required documentation, must be received no later than January 20th 2012 (shipping postmark will be considered) at the following address:

Dr. Mauro Farneti - Segretario SidP
[e-mail: segreteria.sidp@gmail.com](mailto:segreteria.sidp@gmail.com)

The written examination (date and place to be announced) will include a multiple-choice test on oral biology, implantology and periodontology.

Final score will be calculated as follow: up to 10 points for the degree in dentistry, up to 60 points for the written test, up to 20 points for the English oral and written evaluation. The winner will be notified through certified mail and the scholarship will be officially assigned during the XVII National Congress of the Italian Society of Periodontology (Bologna, March 15th -17th, 2012). If you are successfully awarded the scholarship you will still be required to formally apply to UCL.
