

RESEARCH FORUM 2017

Reserved for Dentists

Application

The Italian Society of Periodontology and Implantology (SIDP) will give to clinicians and researchers the chance to present their own data and original research in the field of Periodontology and Implantology during the National Congress 2018 in the session "RESEARCH FORUM".

Both clinical research and basic sciences research are eligible.

Abstract will be evaluated by a specific committee constituted by eminent academicians and clinicians and by the Coordinators of the session. If accepted, applicants will present their research in English as electronic poster in the session "Spazio Ricerca-Research Forum" which will be held on Thursday the 15th March 2018. The abstract presented during the session will be then published on "Quintessenza Internazionale & Jomi".

Abstract Format

Abstract should be written in English language. Deadline for submission will be February 9th 2018 through the website www.sidp.it. Only on-line submitted abstract will be accepted.

Acceptance will be communicated through e-mail from the SIDP secretary within the 28th of February 2018.

The presentation will not be accepted if the presenting Author would not be pre-registered within the 6th of March 2018. Each author may present only one research but co-authorship is not limited.
