

ATTENTION TO DETAILS!

SIdP cares about its youngest guests too!

If you are interested in this service, you can express your interest when registering for the Congress online through the SIdP website.

THE BABY PARK IS COMING TO THE 2027 CONGRESS

An extra touch of care to help you enjoy the Congress with peace of mind.

SIdP is committed to making its Congress an increasingly inclusive event, offering opportunities for networking, professional development and knowledge sharing, while taking into account the needs of all participants.

For this reason, on the occasion of the 23rd International Congress, SIdP is pleased to offer a complimentary **Baby Park service for children aged 4 and above**, allowing parents to attend the Congress activities with greater peace of mind.

A small but meaningful gesture that reflects the Society's commitment to encouraging participation and supporting a better work-life balance.

A dedicated space for children

A dedicated Baby Park area will be set up inside the Palacongressi, where children will be welcomed and supervised by a dedicated childcare entertainer throughout the service hours.

In a child-friendly environment, little ones will be able to have fun and enjoy a variety of activities, including:

- Games and recreational activities.
- Face painting.
- Physical activities and movement games.
- Creative workshops and opportunities to socialise.

All materials required for the activities will be provided by the Organisers.

Opening days and hours

Day	Opening hours
